Add Winter Olympic  
(Reviewer, Revision, 07/20/2018 11:17 AM)

## You can view the following aspects of an item in your project:

- The metadata of the item (**Question Metadata** tab).
- The current state of the item (**User Tracking** tab).

 The **User Tracking** tab is optional. It is always displayed for managers and other users when the project configuration allows them to view the names of the contributors (configuration for observe).

- The comments accompanying the item (**Comments** tab).
- Previous versions of the item (**History** tab).

 The **History** tab is optional. It is only displayed if there have been modifications made to the item after it has been submitted and accepted for use.

- Not currently used (**Item Comparison** tab).

The **Observe Questions** page has the following features:

Field	Description
<b>Type</b>	Displays the type of item.
<b>State</b>	The current state of the item.
<b>Stem</b>	The item text.

**Assets**

Any assets on the item.

**Options**

The answer options to the item including the correct answer marked ( \* ) and distractors. The **Stem** and **Options** form the **Question Summary** of the item.

If **Restrictions** have been placed on **Fill in the Blank** type items,

balance your mouse pointer over the  **Information** icon and a pop-up **Restrictions** table summarizes all the restrictions placed on the answer option.

**Question Summary**

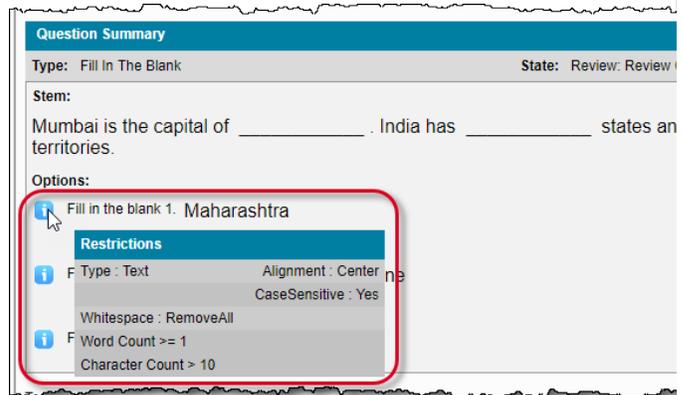

Type: Fill In The Blank State: Review: Review

Stem:  
A rainbow has \_\_\_\_\_ colors.

Options:  
Fill in the blank 1: 6

**Restrictions**

Type : Integer  
Character Count = 1  
Belongs to Case :

**Question Summary**

Type: Fill In The Blank State: Review: Review

Stem:  
Mumbai is the capital of \_\_\_\_\_ . India has \_\_\_\_\_ states and territories.

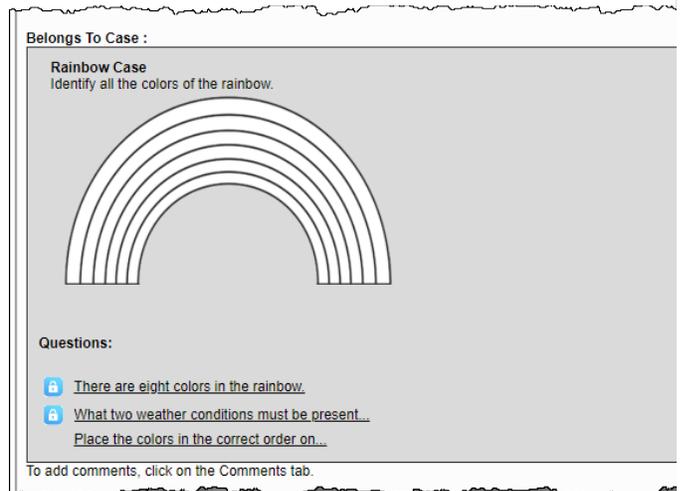

Options:  
Fill in the blank 1: Maharashtra

**Restrictions**

F Type : Text Alignment : Center  
CaseSensitive : Yes  
Whitespace : RemoveAll  
F Word Count >= 1  
Character Count > 10

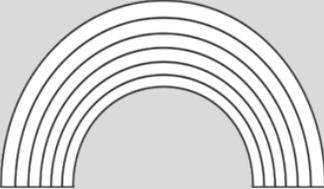

**Belongs to Case**

If an item is assigned to a case, the **Belongs to Case** section appears above the tabs at the bottom of the page. This section identifies the name of the **Case**, the **Exhibit Text** (Stem) for the case item, any **assets** on the case item, and a list of all the **Questions** assigned to the case.

**Belongs To Case :**

**Rainbow Case**  
Identify all the colors of the rainbow.

**Questions:**

- There are eight colors in the rainbow.
- What two weather conditions must be present...  
Place the colors in the correct order on...
